Hi,

Following on from our message below, we have been able to complete our internal review and clearance procedure more quickly than expected, and no longer require an extension for submission of our response to the PAYG consultation.

Please find attached, therefore, a response from the Disabled Persons Transport Advisory Committee ('DPTAC'), to the consultation on extending the PAYG area beyond London.

I would be grateful if, in due course, you could acknowledge the safe receipt of our response.

Best regards

David Mapp (DPTAC Rail Lead), on behalf of DPTAC

Dear Sir/Madam,

I am writing on behalf of the Disabled Persons Transport Advisory Committee to request a one week extension to the deadline for submission of responses to the current consultation on extension of the PAYG area beyond London.

We have prepared a draft submission but need a little more time to complete our own internal review and clearance procedure. In this context, we would be grateful if the deadline for submission of our response could be extended to the end of Wednesday, 8th May.

Many thanks

David Mapp (DPTAC Rail Lead)
