Subject: SDG session at Friday's meeting

Importance: High

Hi [Redacted]

I've just heard from Richard at SDG that, unfortunately, for various reasons nobody from the SDG team is now able to attend Friday's DPTAC rail group meeting. I appreciate this creates some problems for Friday's agenda and am happy to discuss but also wanted to reiterate that SDG are keen to share their research findings with DPTAC on another occasion. Perhaps we could use part of Friday's session to identify a suitable time?

I'm really sorry for the short notice on this and did make it clear to SDG how disappointed the group would be, but it seems to be unavoidable.

Thanks,
